The Municipality of Cervia is located in Emilia Romagna, on a wonderful part of the Adriatic coast, 20km south of Ravenna. Its 10km shore characterised by fine sandy beaches and shallow water provides the setting for the resorts of Cervia, Milano Marittima, Pinarella and Tagliata. The office of Fondazione Cervia Ambiente was established here in 1973 for the improvement and protection of the environment. This area will welcome you with its natural beauty, traditions, culture, history and hospitable places offering numerous facilities for a holiday characterised by wellness, fun and relaxation.

Seaside resorts

[Cervia](#): Cervia, the antique city of salt, is not just a seaside resort, but also a town steeped in culture and history. By strolling around the centre you will discover the charm of a city which was completely reconstructed brick by brick at the end of the XVII century.

[Milano Marittima](#): Milano Marittima is an exclusive and renowned resort on the Adriatic Riviera. In recent years it has become 'the place to be' for even the most demanding tourists.

[Pinarella](#): Pinarella originated as a natural continuity to Cervia but it has been able to develop its own special autonomy and to have more and more tourists returning year after year to this comfortable place.

[Tagliata](#): In the latest years Tagliata managed to turn into a modern and friendly tourist resort offering many facilities.

### **Shopping and curiosities**

Holidays mean relax, fun, sun and... shopping! In Cervia-Milano Marittima you will find a huge range of opportunities to buy something *really* nice.

In the summer shops are open in the morning, in the afternoon and in the evening, so that tourists can choose the best time to buy (or buy themselves) a present: for example, when the weather is a bit cloudy or too windy for the beach, or, as it is often the case, during your "after-dinner" stroll in the city centre, where you can take a walk unhindered by the traffic and go window-shopping. All you need is on sale in Cervia, Milano Marittima, Pinarella and Tagliata: bathing suits and all the beach items, toys, Indian handicrafts, sports items, books... you name it. If you are into fashion, don't forget that Milano Marittima is the place to be, with an incredible choice of design items: jewellery, clothes, handbags, shoes. Just take a look at any shop window and you'll spot names like Pomellato, Armani, Versace, Roberto Cavalli, D&G, Prada, Furla... to name but a few!

With this imperative FIDS - Federazione Italiana Danza Sportiva - organizes the first International Festival dedicated to the Dance Sport of Disco Dance, Street Dance, Show Dance and Oriental Dance, in collaboration with the IDO - International Dance Organization.

The resort, Cervia, is the same that hosted the first major summer festival of dance, over twenty years ago. The choice of the town of Romagna, therefore, takes place under the auspices of an organization that for years has drawn in Romagna the World of International Dance Sport.

The sun and the sea of Romagna, the music and rhythms of disco music and hip hop music, become ingredients of a festival that presents, for these disciplines, the summer version of the famous festival in Riesa, organized by the excellent Michael Wendt during autumn.

From 26 July to 1<sup>st</sup> August

the Palasport of Cervia will host

**WORLD CUP**

**SHOW DANCE, DISCO DANCE, HIP HOP**

**EUROPEAN CHAMPIONSHIP**

**ORIENTAL DANCE**
